THE SEAT FOR THE LONG HAUL

The **HP air suspension** of the Commodore series excels at reducing the vibration from the road, keeping strain off of you so you can keep driving. It also includes our exclusive **BackCycler®** system that is designed to help you maximize your uptime by reducing back pain and fatigue. The triple-chamber air lumbar and bolsters top off a multitude of adjustment features that provide you with the right support and fit so you can focus on the road.
